

O.D.F.

THE OFFICER DOWN FUND

A community ride to benefit EMS, fire, and law enforcement

Dear Community Members,

In appreciation for our community Law Enforcement, Firefighters and EMT personnel, this event was first created in March of 2006. Carolina Coast Harley-Davidson/Buell, their HOG chapter, several local businesses and many caring citizens banded together to create a fund to help those who risk their lives on a daily basis for all of us. In order to regulate and disperse the fund appropriately, it has been put in the hands of the North Carolina Community Foundation, which maintains many funds in the area. Funds currently available are in excess of \$40,000; funds dispersed thus far total \$4,000.

The goal is to fuel the fund through an annual Officer Down Ride—this year will be the 6th annual ride and will take place on April 16, 2011. All criteria for eligibility and application for funds are available at <http://officerdownride.org>.

As with any event, SPONSORS are a key to spelling success. Any contribution will be gratefully accepted. However, should you like to promote your business as well as participate in our efforts, we have created a sponsorship level program. Your donation is tax-deductible.

Name: _____
Company Name: _____
Address: _____
City: _____ State: #1 _____ Zip: _____
Telephone: _____ Email: _____

Please make all checks payable to: O.D.F. (Officer Down Fund)

\$ _____, Thank you
